Title: QUINAZOLINE DERIVATIVES

:
:
: DECISION ON PETITION TO
: MAKE SPECIAL UNDER 37
: C.F.R. § 1.102 & M.P.E.P. §
: 708.02
:

This is a decision on the petition filed on June 23, 2009 to make the above-identified application special under 37 C.F.R. § 1.102(d).

MPEP § 708.02 states:

Any petition to make special, other than those based on applicant's health or age or the Patent Prosecution Highway (PPH) pilot program, filed on or after August 25, 2006 must meet the requirements for the revised accelerated examination program set forth in MPEP § 708.02(a). See subsections III and IV below for the requirements for filing a petition to make special based on applicant's health or age.

Applications filed prior to August 25, 2006 are not eligible for the revised accelerated examination program set forth in MPEP § 708.02(a). Until August 25, 2006, applicant may file a petition to make special in an application filed prior to August 25, 2006 by complying with the guidelines and requirements set forth in subsections I-II, and V-XII below.

A petition to make special filed on or after August 25, 2006 will only be granted if it is based upon applicant's health or age or is under the PPH pilot program, or if it complies with the requirements set forth in MPEP § 708.02(a).

While the instant application was filed before August 25, 2006 the instant petition was not filed until June 23, 2009 and thus the last paragraph cited above controls. The instant petition does not meet the requirements set forth in the above.

The petition to make the application special is DENIED.
